- All active registered voters within the county will be mailed a ballot for this election. We encourage voters to vote and return their ballot as soon as possible.

Why do my districts look different on my ballot?

Following the 2020 Census, districts were redrawn to rebalance populations. What this means to voters is that the districts you are used to seeing on your ballot may have changed. Additionally, polling place numbers and locations may have also changed. The redistricting process considers shifts in population since the last census, making sure constituents are represented equally in accordance with the "one-person, one-vote" principle of the Voting Rights Act.

What if my ballot is misplaced, spoiled or not received?

- Call the Elections Office for instructions on how to request a replacement ballot at 530-886-5650 or email us at vote@placer.ca.gov. This must be requested by November 1, 2022 (7 days before the election).
- Visit the Placer County Elections Office (2956 Richardson Drive, Auburn, CA) to cast a vote-by-mail ballot beginning October 10 through Election Day during the following dates and times:
 - Normal Business Hours, Monday through Friday: 8 AM – 5 PM
 - Monday, October 10: 10 AM – 3 PM
 - Saturday/Sunday, October 29 & 30 and November 5 & 6: 10 AM – 3 PM
 - **Election Day** - Tuesday, November 8: 7 AM – 8 PM
- Visit your Placer County polling place on Election Day. Please review the back page of this voter information guide for your assigned polling place. If you choose to go into the Elections Office or a polling place, please be prepared for the possibility of extended wait times.

There are two U.S. Senate contests on the November 8, 2022, General Election ballot.

The first contest is the regular election for the full 6-year term which begins on January 3, 2023 and ends January 3, 2029.

The second contest is a special vacancy election. The current officeholder is temporarily filling a vacancy for the remainder of the current term ending January 3, 2023 (partial/unexpired term).

You may vote for both contests.

TOP TWO CANDIDATES OPEN PRIMARY ACT VOTER-NOMINATED OFFICES

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county Voter Information Guide, parties may list the candidates for voter-nominated offices who have received the party's official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Statewide Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Countywide Nonpartisan Offices

For countywide nonpartisan offices at the primary election, if a candidate receives a majority of the vote (more than 50 percent of the ballots cast), then that candidate will be elected to the position and that race will not continue onto the general election ballot in November.

To vote against the candidate, mark the voting target next to the word "No." To vote on any measure, mark the voting target next to the word "Yes" or next to the word "No." Use a blue or black pen only to darken the oval. **STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

Name: KERMIT JONES

Age: 46

Occupation: Internal Medicine Physician

Education and Qualifications:

I'm a doctor and Navy veteran.

I learned the value of hard work and personal responsibility on my family's farm. Those same values led me to join the U.S. Navy after 9/11 and I deployed to Iraq as a combat surgeon with the Marines. When I came home, I served as a White House fellow working to improve healthcare for our veterans, before I returned to California to work as a doctor.

For me, it's never been about politics, it's about keeping the oaths I made to my patients and our country. But I have watched the rising cost of living and devastating forest fires make life unaffordable and uncertain for too many Californians, all while career politicians in Washington and Sacramento play politics and put themselves and their party first.

In Congress, I will take a new oath — to bring service-oriented leadership to Washington. It will be my priority to tackle inflation and the rising cost of living. As a doctor who has treated over 20,000 patients, I will protect every woman's right to her own medical decisions, work every day to lower the cost of healthcare, and protect Medicare and social security for all Americans.

I am ready to stand up to both parties when they are wrong, whether it's Democrats who want to defund the police, or Republicans who would criminalize abortions nationwide and defend those who attacked our country on January 6th. Visit kermitjonesforcongress.com for more.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

Name: KEVIN KILEY

Age: 37

Occupation: California Assembly Representative

Education and Qualifications:

Congress and the Biden Administration have failed the American people. Their reckless spending and policies have caused record inflation and harmed our economy.

I'm running for Congress to stop the wasteful spending, defend our Constitution, protect our freedoms and make our government accountable to the people. As your Representative I will work to cut debt; secure the border; reduce taxes; hold criminals accountable and put parents in charge of their child's education.

I know how to get things done. I wrote groundbreaking new laws on freedom of speech, privacy, and protections for sexual assault victims. I passed significant school choice legislation. I co-sponsored bills to increase fire protection and manage our forests.

I'm a reformer who declined a pay raise granted to Legislators and I decline \$40,000 annually in extra income other lawmakers collect. I introduced the bill to end special perks for politicians.

My experience includes serving as Deputy Attorney General representing you against violent criminals; defending the Constitution in court; and prosecuting a Chinese company for intellectual property theft. I am endorsed by over 50 fiscally conservative local elected officials — they know my record.

I grew up in this district. It's my home. And as your Representative I will fight to protect our quality of life. I'll never give up the fight for the founding principles that make America the greatest country in the world — freedom, justice, individual responsibility and a limited government that truly represents the people.

I'd be honored to receive your vote. Thank you.

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 6**

Name: PAULA VILLES CAZ

Age: 33

Occupation: Health and Human Services Policy Director/School Board Member

Education and Qualifications:

Growing up wasn't easy. My single mom worked two jobs to barely make rent, and I worked all through high school. We didn't have healthcare and struggled to make ends meet. I know how hard it is for working families today, which is why I will fight to make housing more affordable and lower the cost of healthcare and childcare.

I was fortunate to be the first in my family to graduate from college, even though halfway through school I was diagnosed with a rare, life-threatening cancer.

As a cancer survivor, I'm driven to ensure everyone has equal access to quality, affordable healthcare. It inspired me to work over the last decade helping build a health system that puts patients first.

With Roe v. Wade overturned, it's essential that we protect women's reproductive rights. I'm proud to have support from Planned Parenthood Advocates Mar Monte and many others.

I have experience that matters: on the school board I led the fight to win voter approval to rebuild K-12 local schools, secured raises for teachers and school staff, and safely reopened schools. During the pandemic, I ensured seniors had access to mental healthcare and nutritious meals.

My humble beginnings allow me to focus on what matters — putting partisan politics aside to address homelessness and help families, businesses, and communities thrive in Placer and Sacramento counties. I know that better days are ahead of us.

I'm proud to be endorsed by California's teachers, firefighters, nurses, environmentalists, and reproductive choice advocates. Join us: www.PaulaVillescaz.com

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE SENATE, DISTRICT 6**

Name: ROGER NIELLO

Occupation: Small Businessman

Education and Qualifications:

Over the course of my career, I have had the opportunity to lead in business, non-profits, and government— creating jobs and implementing policies to help our communities thrive. When I served our region in the State Assembly, I worked hard to bring balance to the State Capitol and deliver results for Placer County. Serving our community was one of the great honors of my life, and I am asking for your trust to do it once again.

As your State Senator, I will fight for homelessness solutions that address the root causes of the problem: mental health and drug addiction. I will support law enforcement and prioritize efforts to stem our growing crime rates by getting dangerous criminals off the streets. I will take my experiences as a CPA and Small Businessowner and craft policies that allow entrepreneurs to create jobs and grow the economy. I will ensure responsible investments in infrastructure to repair our roads, build new water storage, and develop improved flood control. I will tackle these issues with the spirit of collaboration that has come to define my career. I am gratefully endorsed by organizations and community leaders who have been on the forefront of these issues in Placer County— including Crime Victims United, the Placer County Deputy Sheriffs Association, Supervisor Bonnie Gore, Supervisor Robert Weygandt, Supervisor Jim Holmes, and Sheriff Ed Bonner.

Working together, we can tackle our toughest issues and build a region to be proud of. I would be honored to have your vote. Visit www.RogerNiello.com for more information.

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE ASSEMBLY, DISTRICT 5**

Name: REBECCA L CHENOWETH

Occupation: Attorney/COO

Education and Qualifications:

The focus of my professional career has been community service. My supporters know I can do more by serving as your Assembly representative.

Over 25 years ago I earned my law degree while raising four children, passing the Bar and have been an active attorney ever since. As former judge pro-tem and County Counsel attorney, I'm hard-working, fair-minded, and well-respected by colleagues and friends. Currently, I serve as the Chief Operations Officer of a Placer County organization that assists victims of violent crimes - such as domestic violence, sexual assault and human trafficking.

I'm endorsed as ...

"100%" [Planned Parenthood Advocates Mar Monte]

"... reserved, but firm. Dedicated and determined. Just what we need in Sacramento. Rebecca's fights have been ones often fought behind closed doors. Or in courtrooms. They don't tend to get the attention they deserve. They are important fights, and tough ones. Protecting kids from abuse. Aiding survivors of domestic violence. Working to combat sexual assault and human trafficking. Topics that aren't easy to talk about, let alone do something about.

They are the fights that have defined Rebecca Chenoweth's career. And they will be some of the issues she will be pursuing in the State Assembly."
[Sierra Forward]

and

"Assembly seat ... should go to a moderate." "... an impressive candidate and the best pick for the job." [major Sacramento newspaper]

I will listen to my constituents and help where I can.

I'm ready and able to serve the district as your Assemblymember and would be honored by your vote.

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE ASSEMBLY, DISTRICT 5**

Name: JOE PATTERSON

Age: 40

Occupation: Former Mayor/Small Business Owner

Education and Qualifications:

One party rule and entrenched politicians at the State Capitol have let us down. Crime, homelessness, and the high cost of living are all the result of an out of touch and unresponsive state government.

Inflation is at the highest rate in forty years and gas prices reached the highest price ever. The answer coming from the State Capitol is more spending and higher taxes. Governor Newsom and Sacramento politicians continue to throw billions of dollars into new social programs without addressing the root of problems and without accountability.

The Howard Jarvis Taxpayers Association and the Placer County Taxpayers Association officially endorse me because they know I will never vote to raise taxes. We don't need more taxes, we need to slash waste, fraud, and abuse.

As a Mayor and City Councilman, I have stood with our police and sheriffs against those who want to defund the police and open prison doors.

I am proud to be law enforcement's choice for State Assembly and honored to be endorsed by Sheriff Wayne Woo and organizations representing thousands of police officers and firefighters.

My wife Colleen and I are working to raise our four children. We understand the challenges facing families and the importance of giving parents control over their children's education while keeping them safe and dealing with high utility rates and other bills.

I'd be honored to earn your vote so we can get right to work improving our quality of life.

MEASURE G

SCHOOL BOND ELECTION – WESTERN PLACER UNIFIED SCHOOL DISTRICT

To renovate/ modernize Carlin Coppin and Creekside Oaks Elementary Schools, Lincoln and Phoenix High Schools; complete Twelve Bridges High School; remove/ replace asbestos, lead pipes, roofs, electrical systems; supporting achievement in math, science, engineering, reading, arts and technology; improve safety/ security/ disabled access; prevent overcrowding; shall Western Placer Unified School District issue \$185,000,000 in bonds at legal rates, annually levying approximately \$54 per \$100,000 of assessed valuation, generating approximately \$9,400,000 annually while bonds are outstanding, requiring audits / citizens oversight?

BONDS YES _____

BONDS NO _____

COUNTY COUNSEL'S IMPARTIAL ANALYSIS OF MEASURE G

This measure, if approved by fifty-five percent of the voters, would authorize the sale of general obligation bonds by the Western Placer Unified School District (the "District") in the aggregate principal amount of \$185,000,000. The proceeds of the bonds would be used to provide financing for the school facilities projects described in the text of the measure and more fully listed in the Bond Project List. Principal and interest on the bonds would be paid from a tax placed on the taxable property within the District. The District's estimate of the highest tax rate that would be required to fund this bond issuance is \$54 per \$100,000 of assessed valuation until fiscal year 2056-2057.

A general obligation bond is a form of borrowing commonly used to fund school facilities. By law, local general obligation bonds, financed through an increase in local property taxes, can be used for renovating, reconstructing, and building new facilities and for acquiring certain new equipment. To authorize such bond issuance through a 55% voter approval, the District must meet certain accountability requirements. To meet these requirements, the Board of Trustees of the District has committed to the following:

- to use the bond proceeds only for the purposes set forth in the ballot measure, and not for any other purpose, such as teacher and administrator salaries and other school operating expenses.
- the safety, class size reduction and information technology needs of the District as well as the importance of the projects to student achievement and enhanced instruction have been evaluated prior to determining that bond issuance was necessary.
- to create a Citizen's Oversight Committee in compliance with Education Code Section 15278

no later than 60 days after the Board enters the election results in its minutes to ensure bond proceeds are expended only for the projects in the ballot measure.

- to conduct annual independent performance and financial audits to ensure that the bond proceeds are expended only for the projects in the ballot measure.

This measure was placed on the ballot by the Board of Trustees for the District through adoption of Resolution No. 21/22.27 on June 21, 2022.

A "YES" vote on this Measure would authorize the Western Placer Unified School District to borrow money through the sale of bonds in an amount not exceeding \$185,000,000, with the bonds being repaid by revenue derived from an annual tax levied upon the taxable property within the District.

A "NO" vote on this Measure is a vote against authorizing the sale of bonds by the District.

This analysis is submitted by the Office of the County Counsel of Placer County pursuant to the requirements of Section 9500 of the Elections Code of the State of California.

The above statement is an impartial analysis of Measure G. If you desire a copy of the measure, please call the Placer County Registrar of Voters at 530-886-5600 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE G

If you live within Western Placer Unified School District (WPUSD) boundaries, **VOTING YES on Measure G** may be **the most important local vote** you cast in this election. Consider these facts:

While WPUSD has been able to build, repair, and upgrade SOME of our public schools to address critical needs and overcrowding, the rest of our local schools continue to age, and the state of their classrooms, facilities, and technology is adversely impacting teaching and learning.

The District's enrollment has almost doubled since the early 2000s. New classrooms are needed to prevent classroom overcrowding and accommodate increasing enrollment.

Measure G provides a prudent, responsible plan to continue modernizing WPUSD schools for improved student safety and equal access to quality instruction and learning. No other funding currently exists to properly upgrade these facilities.

Measure G will:

- **RENOVATE/MODERNIZE** Carlin C. Coppin Elementary, Creekside Oaks Elementary, Lincoln High School, Phoenix High School, and complete Twelve Bridges High School to prevent overcrowding, and to make sure that our school facilities and school grounds are safe, secure, and modern.
- **FIX** deteriorating roofs, plumbing, sewer, and electrical systems.

- **REMOVE** hazardous materials like asbestos/lead pipes.
- **UPGRADE** older schools to improve fire safety, school security, building safety, and access for students with disabilities.
- **IMPROVE** heating, ventilation, insulation, doors, and windows.
- **MODERNIZE** outdated classrooms, labs, and educational technology to support high quality instruction in math, science, engineering, technology, and the arts.
- **IMPROVE** physical education areas, play equipment, kitchens, and multi-use facilities for student health, safety, and access for individuals with disabilities.
- **REPLACE** aging portable classrooms.

Taxpayer protections are REQUIRED. ALL funds stay LOCAL for WPUSD schools ONLY. NO funds go to employee salaries, benefits, or pensions. Citizens' Oversight, independent audits, and public reporting ensure proper spending.

Please! Make your vote count – for our children, for our community. VOTE YES on G!

REBUTTAL TO THE ARGUMENT IN FAVOR OF MEASURE G

They want you to believe this measure will provide all sorts of free goodies. In reality, Measure G is a bond that will be paid back by increasing your taxes for more than 30 years, using your house as collateral. Proposition 13 does not protect us from voter-approved tax increases like this one.

In 2014, voters approved Measure A, increasing taxes. In 2016, voters approved Measure N, further increasing taxes. Every two years, they demand higher taxes and more debt, despite the dramatic increases in school funding.

John Adams Academy built and maintained three beautiful campuses without raising taxes. The Western Placer Unified School District should duplicate that model!

The District claims that new development has caused overcrowding, so they want to raise taxes yet again. By voting "No," we send the message that new development must pay for itself, without burdening existing residents. Furthermore, we believe that recent, record-breaking increases in school funding are already enough to deal

with the new students. This financially-irresponsible District must learn to live within its means!

Many items on the Bond Project List will be outdated, worn out, and replaced long before this new debt is paid off. What sort of fool would borrow money for three decades to pay for "bulletin boards," "security cameras," or "window coverings"?

Inflation is through the roof, with no end in sight. Taxpayers are struggling to survive. Now is not the time for yet another tax increase.

Please vote "NO" on the Measure G tax increase.

ARGUMENT AGAINST MEASURE G

WARNING: Measure G is a tax increase that uses your house as collateral. A "YES" vote will require YOU to pay this new tax every year for the next three decades. If you cannot afford to pay, your house will be sold to pay the taxes.

We live in difficult economic times. Inflation is the highest it's been in forty years. We have all suffered as the cost of food and everything else has skyrocketed, with no end in sight. Gas prices have doubled. Inflation has a brutal impact on families because costs are rising much faster than incomes. Raising taxes will only make the situation worse.

This tax increase adds to the cost of housing, pricing young families out of the "American dream" ---home ownership.

Even rental housing is becoming unaffordable. This tax increase will be passed on to renters further increasing rent.

The stock market collapsed this year, hitting retirement plans hard and leaving retirees much worse off. The S&P 500 closed out the first half of this year down nearly 21%

— the steepest first-half loss in more than five decades. New taxes and rent increases are especially brutal for seniors who have retired on fixed incomes.

Meanwhile, the Western Placer Unified School District is enjoying dramatic spending increases. Property taxes have broken all previous records - and state funding has increased substantially - bringing in a windfall of new money to our local schools. Yet they still refuse to live within their means. Instead of using their ever-growing budgets to pay for routine maintenance and upgrades, they have recklessly borrowed millions from future generations. This needs to stop!

Now is not the time to raise taxes. Vote NO on Measure G.

REBUTTAL TO THE ARGUMENT AGAINST MEASURE G

Measure G opponents miss the point! Apparently, they haven't visited Western Placer Unified School District schools recently or they would know that Measure G is absolutely needed and is a sound investment.

Here are the facts:

FACT: Measure G is about one thing - maintaining the quality of education at Western Placer USD's 15 elementary, middle and high school campuses.

FACT: With NO real State funding for facilities improvement, the burden of upgrading our neighborhood schools lies with us. Measure G qualifies WPUSD for State matching funds when available, leveraging local taxpayer dollars even further.

FACT: In 2016 our community generously supported a school improvement measure including the construction of Scott M. Leaman Elementary School; additions, modernizations/ renovations to Glen Edwards Middle School, both on time and on budget, **but there is more work to be done!**

FACT: Measure G is the result of a transparent, multiple year facilities planning process that included community members, teachers, students and parents. This detailed facilities plan catalogs the most critical needs of every

school in our district. Read the plan at <https://www.wpUSD.org/departments/administrativeservices/facilities/facilities-master-plans>

FACT: Measure G prevents overcrowding and ensures that we match the exceptional teaching and learning happening at our schools so ALL our children get the opportunity to succeed in school, college and careers.

FACT: Measure G requires clear systems of accountability including a detailed project list of how the money will be used, a Citizens' Oversight Committee, and annual independent audits.

FULL TEXT OF MEASURE SUBMITTED BY THE DISTRICT

Section 1. Specifications of Election Order.

Pursuant to sections 5304, 5322, 15100 *et seq.*, and section 15266 of the California Education Code, an election shall be held within the boundaries of the District on November 8, 2022, for the purpose of submitting to the registered voters of the District the following proposition:

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the District shall be authorized to issue and sell bonds of up to \$185,000,000 in aggregate principal amount to provide financing for the specific school facilities projects listed in the Bond Project List attached hereto as Exhibit A, subject to all of the accountability safeguards specified below. Bonds will be issued in one or more series.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address the specific facilities needs of the District, in compliance with the requirements of Article XIII A, section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at section 15264 *et seq.* of the California Education Code).

Evaluation of Needs. The Board has updated its Facilities Master Plan in order to evaluate and address all of the facilities needs of the District, and to determine which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated safety, class size reduction and information technology and other needs in developing the Bond Project List contained in Exhibit A.

Independent Citizens' Oversight Committee. The Board shall establish an independent Citizens' Oversight Committee (section 15278 *et seq.* of the California Education Code), to ensure bond proceeds are expended only for the school facilities projects listed in Exhibit A. The committee shall be established within 60 days of the date when the results of the election appear in the minutes of the Board.

Annual Performance Audits. The Board shall cause an annual, independent performance audit to be conducted to ensure that the bond proceeds have been expended only on the school facilities projects listed in Exhibit A.

Annual Financial Audits. The Board shall cause an annual, independent financial audit of the bond proceeds to be conducted until all of those proceeds have been spent for the school facilities projects listed in Exhibit A.

BOND PROJECT LIST

The Bond Project List attached to this resolution as Exhibit A shall be considered a part of the ballot

proposition, and shall be reproduced in any official document required to contain the full statement of the bond proposition.

The Bond Project List, which is an integral part of this proposition, lists the specific projects the District proposes to finance with proceeds of the Bonds. Listed repairs, rehabilitation projects and upgrades will be completed as needed. Each project is assumed to include its share of costs of the election and bond issuance, architectural, engineering, and similar planning costs, construction management, and a customary contingency for unforeseen design and construction costs. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain construction funds expected from non-bond sources, including State grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bonds will provide sufficient funds to allow completion of all listed projects.

FURTHER SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to section 15100 of the California Education Code, and all the purposes shall constitute the specific single purpose of the bonds, and proceeds of the bonds shall be spent only for such purpose, pursuant to section 53410 of the California Government Code.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest will be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than 25 years (if issued pursuant to the provisions of the California Education Code) or 40 years (if issued pursuant to the provisions of the California Government Code) from the date borne by that bond.

EXHIBIT A **KEY FINDINGS**

- The Western Placer Unified School District ("District") currently serves a population of 7,200 students on 15 school campuses. The District is focused on providing a top-quality education to prepare students for college and 21st-century careers. Rigorous academic programs emphasize reading, science, engineering,

technology, language arts, and math. The District is the local provider of Transitional Kindergarten through 12th Grade (TK-12) public education.

- The Board of Education of the District is committed to the belief that all students deserve to learn in quality classrooms and school facilities.
- The District has two key priorities: first, to ensure academic success for every student attending one of our schools; and second, to make sure that our school facilities and school grounds are safe, secure, modern, and equipped to provide the best educational environment possible.
- Student enrollment in the District is increasing and more young families with school age children are moving into the District each year. As a result, many schools in the District are operating at near maximum capacity, utilizing all available classrooms and shared spaces, resulting in cafeterias, gyms and playgrounds being overcrowded.
- The District's long range Facilities Master Plan is continually updated to identify and confirm the needs at every school site and campus within the District has facility improvement needs that require attention.
- The updated Facilities Master Plan was completed with input from school staff, district parents, City of Lincoln representatives and members of the community to identify the upgrades needed at each school site in order to meet modern safety standards, to meet the District's goals for supporting current academic standards, and to address specific priorities at individual school sites.
- The improvements identified in the Facilities Master Plan have been prioritized so that the most critical facility needs are addressed.
- These projects include addressing urgent needs, like replacing aging roofs, plumbing, and electrical systems, keeping schools clean, well-maintained and in good condition, performing essential safety repairs and maintenance on classrooms and facilities, and classroom upgrades for improved teaching and learning in science, math, technology, engineering, and arts.
- Updating classrooms and aging facilities will make schools more efficient and will help cut utility costs, freeing up money to support teaching and classroom instruction.
- Locally-controlled funding from bond measures is the primary means by which all local school districts are able to keep its school buildings and classrooms in good repair, with safe environments, designed and equipped to support changing educational standards, methods and approaches.
- Measure A in 2014 and Measure N in 2016 were the first steps in a comprehensive effort to upgrade aging and overcrowded Western Placer elementary, middle, and high school facilities.
- These bond measures focused on four key projects that were completed successfully and under budget, but the District still has significant facility needs.
- The District cannot rely on the State of California to fund school facility improvements and the limited

state dollars available for facility upgrades typically require local matching funds that could be provided by a local bond measure.

- The District is proposing this bond measure to fund improvements to classrooms, science, technology, engineering, arts, and math labs and other educational facilities to support quality academic instruction for students.
- This bond measure will benefit local schools only and no funds can be taken away by the State or other school districts, and by law, no money can be used for administrator salaries or pensions.
- This bond measure requires strict fiscal accountability protections including mandatory annual audits and an independent citizens' oversight committee comprised of local residents to ensure funds are managed and spent properly.
- This measure will help ensure that Western Placer Unified School District can retain and attract quality teachers and maintain our high academic achievement. By upgrading classrooms and learning technology, the best teachers will want to teach at our local public schools because classrooms will be up-to-date and have greater access to new technology to support 21st century instruction needs.

The Board concluded that protecting the quality of our campuses, the quality of life in our community, and the value of our homes is a wise investment. Therefore, in approving this Project List, the Board of Education determines that the District must:

- Retain all funds to support local students and ensure that money cannot be taken away by the State; and
- Repair or replace deteriorating roofs, plumbing and electrical systems; and
- Upgrade classrooms, science labs, computer systems to keep pace with technology; and
- Upgrade facilities to support student achievement in core subjects like math, science, engineering, arts, and technology; and
- Prevent overcrowding and support the growing student population; and
- Qualify for State matching funds; and
- Adhere to specific fiscal accountability safeguards such as:
 - All expenditures must be subject to annual independent financial audits.
 - No funds can be used for administrators' salaries and pensions.
 - An independent citizens' oversight committee must be appointed to ensure that all funds are spent only as authorized.

ACCOUNTABILITY MEASURES

This bond measure has strict accountability requirements including:

1. All money will benefit local schools and CANNOT BE TAKEN BY THE STATE.

2. Require CITIZENS' OVERSIGHT and yearly reports to the community to keep the District accountable for how the funds are spent.
3. NO ADMINISTRATOR SALARIES. Proceeds from the sale of the bonds authorized by this proposition shall be used only for the acquisition, construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and not for any other purpose, including teacher or administrator salaries, pensions and other operating expenses.
4. FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

For any project involving modernization or renovation of a building or the major portion of a building, the District shall be authorized to proceed with new replacement construction if the Board of Education determines that replacement and new construction is economically more practical considering the building's age, condition, and other relevant factors.

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program management, staff training expenses and a customary contingency, and escalation for unforeseen design and construction costs. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the Project List, payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by bond projects. The upgrading of technology infrastructure includes, but is not limited to, fiber optic cable and hardware necessary to increase bandwidth.

The allocation of bond proceeds may be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to

reduce the District's share of the costs of the projects, the District may not be able to complete some of the projects listed above. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans are finalized, construction bids are awarded and projects are completed. Based on the final costs of each project, certain portions of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating enhanced and operationally efficient campuses. Necessary site preparation/restoration and landscaping, may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, redirecting fire access, and acquiring any necessary easements, licenses, or rights of way to the property.

Bond proceeds shall be expended only for the specific purposes identified herein. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to the bond projects, but not for other administrator or teacher salaries. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

FISCAL ACCOUNTABILITY: IN ACCORDANCE WITH EDUCATION CODE SECTION 15272, THE BOARD OF EDUCATION WILL APPOINT A CITIZENS' OVERSIGHT COMMITTEE AND CONDUCT ANNUAL INDEPENDENT AUDITS TO ASSURE THAT FUNDS ARE SPENT ONLY ON DISTRICT PROJECTS AND FOR NO OTHER PURPOSE. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

TAX RATE STATEMENT PREPARED BY THE DISTRICT

An election will be held in the Western Placer Unified School District (the "District") on November 8, 2022, to authorize the sale of up to \$185,000,000 in bonds of the District for the specific school facilities projects listed in the Bond Project List established by the District, as described in the proposition. If the bonds are authorized and a State bonding capacity waiver is received, the District expects to sell the bonds in two or more series. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California.

1. The best estimate from official sources of the average annual tax rate that would be required to be levied to fund that bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of the election or a projection based on experience within the same jurisdiction or other demonstrable factors is 5.4 cents per \$100 of assessed valuation (\$54 per \$100,000 of assessed valuation) of all property to be taxed. The best estimate of the final fiscal year in which the tax is anticipated to be collected is 2056-57.

2. The best estimate from official sources of the highest tax rate that would be required to be levied to fund that bond issue, and an estimate of the year in which that rate will apply, based on assessed valuations available at the time of the election or a projection based on experience within the same jurisdiction or other demonstrable factors is 5.4 cents per \$100 of assessed valuation (\$54 per \$100,000 of assessed valuation) of all property to be taxed. The best estimate of the year in which the highest tax rate will apply is anticipated to be 2027-28.

3. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$320,000,000.

Voters should note that such estimated tax rates are specific to the repayment of bonds issued under this authorization and are and will be in addition to tax rates levied in connection with other bond authorizations approved or to be approved by local voters for the District or for any other overlapping public agency.

District voters have approved a prior authorization (\$60,000,000 2014 Measure A) under which the District has issued bonds that are still outstanding. In 2021-22, the general obligation bond tax rate is \$28.18 per \$100,000 of assessed value for such authorization. The District has issued all bonds under such authorization. District voters have also approved a prior authorization (\$60,000,000 2016 Measure N) under which the District has issued bonds that are still outstanding. In 2021-22, the general obligation bond tax rate is \$21.08 per \$100,000 of assessed value for such authorization.

The District has issued all bonds under such authorization.

Voters should note that estimated tax rate is based on the ASSESSED VALUE of taxable property on Placer County's official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold at market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on the need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the Placer County Assessor in the annual assessment and the equalization process.

ACCESSIBILITY/REMOTE ACCESSIBLE VOTE BY MAIL

Placer County has taken measures to ensure that our voters with specific accessibility needs can participate in the elections process.

Accessible online voter information guide and ballot: The online version of this voter information guide and the voter's precinct-specific accessible vote-by-mail ballot are both compatible with screen readers. Information on how to access them can be found at www.placercountyelections.gov.

Accessible voting equipment: The touchscreen machines at all polling places and the Elections Office allow voters with specific disabilities to cast their ballots in an independent and private manner. The voting equipment is compatible with audio tactile interface (ATI), sip 'n' puff, and paddles. Ballots can be presented in audio only, visual only, or both audio/visual.

Accessible voting locations: Every polling place in Placer County has been surveyed by the Elections Office and we have attempted to mitigate all barriers to make them accessible to all voters.

Remote Accessible Vote-by-Mail (RAVBM)

The Remote Accessible Vote-by-Mail system, or RAVBM, was implemented by California to make voting more convenient for voters with disabilities. Assembly Bill 37 permits any voter to cast a ballot using the RAVBM system for any election. To ensure voters' privacy, the system does not store or transmit votes over the internet. Instead, the ballot is printed and returned by mail or by hand.

Who is eligible to use the RAVBM system? Any registered Placer County voter is eligible to use the Remote Accessible Vote-by-Mail system. The voter must have internet access and a printer to mark, print and return their ballot for counting.

Is the RAVBM system secure? Yes. The Remote Accessible Vote-by-Mail system has been certified by the California Secretary of State. The RAVBM system does not store or transmit the voter's selections over the internet. Although the RAVBM system allows voters to access and mark their ballots using any computer and their own assistive devices, the system does not allow electronic voting.

How do I access my ballot through the RAVBM system? Registered voters can apply for a remote accessible ballot by phone, email, on our website, or on the Secretary of State's website. Once the application is processed in our office, a link to access your voting materials electronically will be sent to the email supplied during the request.

How do I return my ballot? After you are finished marking your ballot, it will need to be printed and returned, either by mail or in person, for signature checking and tabulation.

When will the RAVBM system be available? Ballots will be available through this system beginning October 10 and until 8 PM on Election Day, November 8. Remember, if returned by mail, it must be postmarked on or before November 8, and received by the Elections Office no later than November 15, 2022 for your ballot to be considered on time and counted.

POLL WORKERS NEEDED

HELP YOUR COMMUNITY EXERCISE THEIR RIGHT TO VOTE

Serve as a Placer County Poll Worker for the
November 8, 2022, General Election!

Working alongside their precinct board, and supported by the Elections Office staff, poll workers play an essential role in making sure that Placer County's elections are secure and conducted in strict accordance with state and federal voting laws. Volunteers learn about the election process and serve their community by protecting voter rights, securing our systems, serving voters with respect, and assisting all voters with casting their vote.

A precinct board consists of an Inspector, Judge, and Clerks. Poll workers are eligible to receive a stipend that can range from \$100-\$160, depending on the position. Paid training is also provided. Volunteering can also be a great fundraising opportunity for your service club, school booster club or church group. Groups can earn up to \$900 by attending training classes and staffing an entire precinct board on Election Day!

Volunteers must be able to work from **6:00 AM to 9:00 PM on Election Day, Tuesday, November 8**. Apply by filling out the form on the next page and mailing, emailing, or faxing it back to us. Additionally, an online version of our poll worker application can be found and completed at: www.placercountyelections.gov/serve-as-a-poll-worker-in-placer-county

HOW TO FILL OUT YOUR BALLOT

You may use the sample ballot in this guide as reference when filling out your official ballot.

On your official ballot, completely darken the oval next to your selection with **blue or black ink**.

If you are voting for a qualified write-in candidate, you must completely fill in the oval AND write the name of the candidate in the space provided. **Unless both steps are completed, your vote for a write-in candidate cannot be counted.**

DO NOT make partial marks when you make your selections. X marks, check marks, and other kinds of partial shading on the ovals are not the right ways to fill out your ballot.

Remember to check both sides of the ballot.

Place your ballot in the return envelope and sign your name next to the red “X” before sealing.

**Did you make a mistake marking your ballot?
Lost it? Damaged it? Never received it?**

No problem! Here are two options you have:

1. You can request a replacement ballot to be mailed to you through November 1.
2. You can obtain a replacement vote-by-mail ballot at the Elections Office in Auburn beginning October 10, or vote with a poll ballot at your assigned polling place on Election Day.

Contact the Elections Office if you have any questions. You can find our contact information on the front cover of this guide.

ELECTIONS OFFICE PROGRAMS

Candidate Workshops

Running for office is hard work, especially for the first-time candidate running for local office. *What forms do I file? How much money will it cost? Where do I start?* The Placer County Elections Office takes some of the mystery out of running for office with our free public series of candidate workshops held approximately five months before every major election. Workshops include a panel of speakers from various backgrounds (officeholders, campaign consultants, media, etc.) who relate their experience to the audience and answer questions for the novice candidate. On our website, we have recorded videos of our workshops, as well as video tutorials on how to fill out the different forms. Call our candidate services team at 530-886-5650 for more details or to sign up for our email list.

Official Election Mail Logo

The United States Postal Service and the Joint Elections Official Liaison Committee worked together to develop an Official Election Logo for use by state and local government officials. The unique trademark logo is now incorporated into the design of Placer County election mail pieces.

The logo is an interpretation of the stars and stripes of the American flag, with the words "Official Election Mail" above the designation "Authorized by the U.S. Postal Service." When the logo appears on official election correspondence, voters will recognize it as important mail and distinct from partisan political mailings. Additionally, the logo will distinguish the mail to Postal Service workers as "Official Election Mail" and expedite delivery of this important material.

FREQUENTLY ASKED QUESTIONS

What is the last day to register to vote?

State law allows voters to register up until 15 days before the election. The registration deadline for the November 8, 2022, General Election is **Monday, October 24, 2022**. You must register by this date to receive voting materials by mail for this election. However, conditional voter registration (CVR) is now available in California. Eligible voters who missed the 15-day registration deadline can go to the Elections Office from 14 days before Election Day (October 25) through the day of the election or to their polling place on Election Day (November 8), and conditionally register to vote.

When does my ballot get counted?

No ballot can be “counted” until the polls close at 8 PM on Election Day. However, state law allows county election officials to begin opening and processing vote-by-mail ballots up to 29 calendar days before Election Day for the November 8, 2022, General Election.

If you vote the ballot that was mailed to you, your ballot will usually be processed within 24 hours of arriving at our office. That means if you mail your ballot back to us early enough, it will be processed before Election Day and become part of the results published at 8 PM that night.

If you vote at a polling place, your ballot will be tallied that day and included in the results after the polling place materials are delivered to our Elections Office in Auburn. These materials are delivered after the closing of the polling place on Election Day.

The last ballots to be counted are the vote-by-mail ballots mailed or dropped off at drop boxes a few days before Election Day or at polling places on Election Day, ballots mailed and postmarked by November 8, 2022 that are delivered by the post office up to seven (7) days after the election (November 15), and the provisional ballots or CVR ballots cast at polling places. These ballots are processed during the 30-day period following the election that is known as “Post-Election Canvass.”

What happens to provisional ballots and CVR ballots after the election? When are they counted?

Every provisional and CVR ballot cast in Placer County is individually reviewed for eligibility after all materials from the polling places are returned and secured. The most frequent reasons for determining that a provisional or CVR ballot is not eligible to be counted are 1) the ballot envelope is not filled out correctly or 2) the voter cast a ballot through another mechanism (voted by mail or at another location or county within the state). Provisional and CVR ballots are usually counted within 48 hours after they are deemed eligible.

How do I work at a polling place?

It's easy! If you would like to become a poll worker, you can contact our office at 530-886-5650 or visit our website at www.placercountyelections.gov/serve-as-a-poll-worker-in-placer-county and apply for a Poll Worker position.

I changed my signature since I first registered to vote. Will it matter?

Yes, if your signature on your vote-by-mail ballot envelope does not compare with your voter registration signature, we cannot count your ballot. We will make our best effort to compare the signature on file to the one we find on the envelope you use to return the ballot. If for any reason we cannot determine it is a match, we will contact you by mail with a form you may use to confirm it was you that voted the ballot. If you are unsure of how you signed your most recent registration, we recommend that you call our office, and we will mail you a voter registration card. Alternatively, you can re-register online at registertovote.ca.gov. Re-registering will allow you to update our records so that we have a current signature on file for verification purposes.
