Name: CINDY GUSTAFSON	Name: JIM HOLMES
Occupation: Placer County Supervisor, District 5	Occupation: Placer County Supervisor
Education and Qualifications:	Education and Qualifications:
For 40 years, Placer County has been my home where I have raised my family. We were drawn here by the natural wonders of the foothills and Sierra and stayed because of the people, safe neighborhoods, and quality of life. District 5 is home to hard-working families and businesses. It has been my honor to fight for them on the Board of Supervisors.	It has been my honor to serve as a County Supervisor for 19 years. I have proven to be an accessible and approachable elected official, evidenced by my participation in many community events throughout the County. I am a fifth-generation Placer County native who wants to continue protecting our heritage by promoting and preserving our open space
My career in local government focused on public service, and that commitment continues today. As your voice in county government, I am dedicated to crafting real solutions to the unique challenges we face. I have proudly supported public safety with increased funding and staffing for law enforcement and prosecutors. I have advocated for protecting our parks, trails, open-space and agricultural heritage while supporting local businesses and economic opportunities. Most	 and agricultural lands. I owned and operated a small business for 28 years. I know how hard small business owners must work to succeed. I bring that knowledge and experience to this office. I have promoted fiscal responsibility, achieving 19 years of balanced budgets ensuring that the County's General Fund Reserve is robust to
