Placer County Elections Office offers reminders about registration deadlines, additional office hours and vote center locations for June 2, 2026 Statewide Direct Primary Election

The Placer County Elections Office would like to remind voters that the voting period for the June 2, 2026 Statewide Direct Primary Election has officially begun.

As per California law, vote-by-mail ballots for all active, eligible voters in Placer County were delivered to the post office by May 4. Voters can return their ballots by mail, by using one of 29 official ballot drop boxes located throughout the county, or in person to the Elections Office or any open vote center (Placer County ballot drop boxes opened for voter use May 2; vote centers begin to open May 23).

Voters may now also visit the Elections Office at 3715 Atherton Road in Rocklin, Monday through Friday, 8 a.m. to 5 p.m., to use the new “Sign, Scan and GO!” process, which permits them to check in with election staff and use a ballot scanner to have their voted vote-by-mail ballot counted immediately, ensuring their votes are included in the preliminary election results released on election night. “Sign, Scan & Go!” will also be available at all Placer County vote centers during the in-person voting period (May 23 – June 2).

For new Placer County residents or those who have not yet registered to vote, the last day to register and receive their voting materials by mail for the June 2, 2026 Statewide Direct Primary Election is May 18. Registration forms may be picked up at the Elections Office or any Department of Motor Vehicles office, post office or library in Placer County. Voter registration may also be accessed online at <https://registertovote.ca.gov/>.

Voters who return completed registration forms by mail or in person to the Elections Office by midnight May 18 can still receive their voting materials by mail. However, California voters who miss this deadline may still access Conditional Voter Registration. Under this law, eligible voters can come to the Elections Office starting May 19 or to any vote center in Placer County starting May 23 and through Election Day to conditionally register to vote and cast a ballot. The voter’s eligibility will be thoroughly assessed before their ballot is counted.

Placer County voters are not assigned to a specific voting location and can vote in person at any one of 30 vote centers in Placer County. Seven of these vote centers will be open for 11 days of in-person voting starting May 23, while the remaining 23 locations will be open for four days, starting May 30. Daily hours of operation for all locations are 8 a.m. to 4 p.m., except for Election Day (June 2), when they’ll be open 7 a.m. to 8 p.m.
