

**CANDIDATE STATEMENT
CALIFORNIA STATE ASSEMBLY, DISTRICT 3**

Name: DOM BELZA

Age: 42

Occupation: Farm/Ag Business Owner

Education and Qualifications: For four generations, my family has proudly called the North State home. My great-grandfather was a rancher and business owner. Through hard work and perseverance, my family learned the way of life that we continue to live today. We still have farmland, successful businesses and remain deeply rooted in our community.

Our Assemblyman, James Gallagher, endorsed me to carry on his conservative legacy for this district. He is joined by Congressman Kevin Kiley, and the California Republican Assembly, they know I will be a strong, reliable voice for you.

I believe that an honest day's work should lead to opportunity and a better future for our families. Unfortunately, Gavin Newsom and the one-party rule at the State Capitol continue to push policies that ignore rural communities, raise taxes, costs and force their urban values on us.

Coming from agriculture, I understand water is our lifeblood and future in the North State, which is why I support building a sustainable supply of fresh water.

I worked to hold criminals accountable and support victims of violent crime. That's why Sheriff Wayne Woo, District Attorney Morgan Gire, and Crime Victims United have endorsed me to work alongside them.

Frontline firefighters and local Law Enforcement, including California Professional Firefighters and CALFIRE Firefighters, endorse me. They know I'll fight to prevent wildfires and protect lives.

I'm the father of four children and husband to my wife, Julia. The North State is our home and will be for generations to come.

I humbly ask for your vote. www.DomBelza.com.

**CANDIDATE STATEMENT
CALIFORNIA STATE ASSEMBLY, DISTRICT 3**

Name: ANDREW COOLIDGE

Age:

Occupation: Former Mayor/Small Businessman

Education and Qualifications: For too long, the North State has been overlooked, overregulated, and undervalued by Sacramento.

We are proud, hardworking communities built on agriculture, small business, faith and family. Yet we've watched our homes threatened by wildfire, our water redirected while our farmers struggle, and our power and insurance costs skyrocket. Our schools rank near the bottom. We struggle to find doctors. Drug addiction, homelessness, and public safety challenges persist.

We deserve better.

I was born and raised in the Yuba-Sutter area and moved to Chico for college, where I built a successful NorCal business that I have operated for 32 years. I raised my family here, served four years on the Chico City Council and four years as Mayor.

During wildfires, evacuations, pandemic, and fiscal crises, I did not blink. I did not blame others. I brought people together, made tough decisions, and delivered results. That leadership is why a majority of mayors in this district, along with many respected local leaders, support my campaign.

Our path forward is clear: build coalitions with other overlooked regions so our voice carries real weight in Sacramento; align our mayors, supervisors, water districts, and business leaders around a unified, results-driven rural agenda; expand career technical education in the trades and high-paying careers; defend constitutional freedoms, including the Second Amendment; stand firm against policies that harm rural communities; and make fire prevention, forest management, and water security central to California's priorities.

The North State deserves steady, proven leadership. Join me in making NorCal Strong.

**CANDIDATE STATEMENT
CALIFORNIA STATE ASSEMBLY, DISTRICT 3**

Name: JAMES "JAMIE" JOHANSSON

Age: 57

Occupation: Farmer/Business Owner

Education and Qualifications: I'm a first-generation farmer, husband and father of three who built my farm from the ground up. As a faith and family conservative, I'll protect our rural way of life and hold Sacramento politicians accountable.

Running a farm in California means working your way through an unfair maze of laws, permits, and fees. So, I decided to step up and help fix this problem. I joined the Butte County Farm Bureau Board and got elected to the Oroville City Council. I spent 14 years in leadership at California Farm Bureau, 6 years as President/CEO. I tirelessly advocated for family farms throughout rural California and the North State in Sacramento and Washington D.C. I sought financial relief for local farmers, loosened environmental handcuffs, protected our water and fought for wildfire prevention.

My priorities include Lower the cost of living - Oppose any new or higher taxes, protect Proposition 13, cut government regulations and fees that make gas, food, housing, and healthcare unaffordable. Make sure fire insurance is accessible and affordable. Protect Northern California families and farms - Secure water rights, prevent wildfires, and improve forest management. Keep our communities and kids safe - I support securing our borders and keeping boys out of girls' sports. Defending rights and safety - Protect private property and support the Second Amendment.

As a Christian, my faith guides me to do what's right — even when it's hard. I'm the grassroots candidate with the integrity and real-world experience to fight for you. I humbly ask for your vote. Please follow me on social media and visit www.VoteJohansson.com.

DECLARACIÓN DEL CANDIDATO

ASAMBLEA DEL ESTADO DE CALIFORNIA, DISTRITO 3

Nombre: JAMES "JAMIE" JOHANSSON

Edad: 57

Ocupación: Agricultor/Propietario de Empresa

Educación y Cualificaciones: Soy agricultor de primera generación, esposo y padre de tres hijos que construí mi granja desde cero. Como conservador de fe y familia, protegeré nuestro estilo de vida rural y haré que los políticos de Sacramento rindan cuentas.

Dirigir una granja en California significa abrirse paso a través de un laberinto injusto de leyes, permisos y tarifas. Entonces, decidí dar un paso al frente y ayudar a solucionar este problema. Me incorporé a la Junta del Buró Agrícola del Condado de Butte y fui elegido para el Concejo de la Ciudad de Oroville. Pasé 14 años en puestos de liderazgo en el Buró Agrícola de California, 6 años como Presidente/Director Ejecutivo. Abagué incansablemente por las granjas familiares en toda la California rural y en el Norte del Estado tanto en Sacramento como en Washington D.C. Busqué apoyo financiero para los agricultores locales, flexibilicé las restricciones ambientales, protegí nuestras aguas y luché por la prevención de incendios forestales.

Mis prioridades incluyen Reducir el costo de la vida - Oponerme a cualquier impuesto nuevo o más elevado, proteger la Propuesta 13, recortar las regulaciones y tarifas gubernamentales que hacen inasequibles la gasolina, los alimentos, la vivienda, y la atención médica. Garantizar que el seguro contra incendios sea accesible y asequible. Proteger a las familias y granjas del Norte de California - Proteger los derechos de agua, prevenir incendios forestales, y mejorar la gestión forestal. Mantener a nuestras comunidades y a nuestros niños a salvo - Apoyo la protección de nuestras fronteras y mantener a los chicos fuera de los deportes femeninos. Defensa de los derechos y la seguridad - Proteger la propiedad privada y apoyar la Segunda Enmienda.

Como cristiano, mi fe me guía a hacer lo correcto —incluso cuando es difícil—. Soy el candidato de las bases con la integridad y la experiencia en el mundo real para luchar por usted. Le pido su voto humildemente. Sígame en las redes sociales y visite www.VoteJohansson.com.
