

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE ASSEMBLY, DISTRICT 1**

Name: MEGAN DAHLE

Age:

Occupation: Assemblywoman/Farmer/Businesswoman

Education and Qualifications:

It's far past time our lives return to normal and we work together to get California back on track.

To reduce the high cost of living and slow down inflation, I fought to protect Prop 13, lower taxes, get gas prices down and make healthcare more affordable..

Crime is out of control. That's why I'm pushing to repeal liberal laws that released criminals and reduced penalties, allowing thieves to steal almost \$950 without being prosecuted for a felony.

The learning loss and mental health impacts our students have experienced are devastating. I'll continue to advocate for students and families to have the resources they need to ensure our students have the bright futures they deserve.

Needless regulations waste time and drive up the cost of the products we buy. I'm using my small business experience to cut red tape and make government more efficient.

As a taxpayer, I'm disgusted by the state wasting billions on fraudulent EDD claims and am fighting to enact reforms so that never happens again.

By working to improve forestry management, clear excess fuel and properly maintain power lines, I hope to prevent catastrophic wildfires and keep the power on.

I'm also a good friend to the tourism industry and know how COVID and wildfires negatively impacted the county's economy and am working to help folks recover.

The California Association of Highway Patrolmen supports my campaign to move California forward. Please join them and visit www.votemegandahle.com

I'd be honored to have your vote.

**STATEMENT OF CANDIDATE FOR
CALIFORNIA STATE ASSEMBLY, DISTRICT 1**

Name: KELLY TANNER

Age:

Occupation: Emergency Management/Mother/Wife

Education and Qualifications:

My name is Kelly Tanner, and I am a candidate for California Assembly. We deserve an elected representative that engages, advocates, and responds to the needs of this district. California politicians have unwittingly paved the way to disaster with poor policy decisions, while our serious problems remain unresolved. Our district faces threats to our way of life from wildfires, unemployment accompanied by rising energy costs, and an unacceptable rise in crime..

It is time for our voices to be heard. Our forests, watersheds, and wildfire threats need proper management and preparedness. Addressing the mismanagement of our forests and the threat of wildfire is critical.

I have a BS in Political Science from BYU and an MA in Disaster and Emergency Management and wrote my thesis on wildfire. I fought and defeated a large-scale utility project that posed a serious fire danger to an underrepresented rural community. I will take this level of determination with me to Sacramento.

My husband and I have one son, the 6th generation of our family, to live at our ranch. Let's build a better future for our children and grandchildren together.

I would be honored to earn your vote.
