

**STATEMENT OF CANDIDATE FOR  
CALIFORNIA STATE SENATE, DISTRICT 4**

**Name: MARIE ALVARADO-GIL**

**Age: 48**

**Occupation: Public School Administrator**

**Education and Qualifications:**

There is no place I would rather call home than the foothills of the California Sierra Nevada Mountains.

Eastern Placer County is known for its proximity to Lake Tahoe and family playgrounds like Olympic Valley and Incline Village. This is where memories are made year after year.

I want to represent the 4th Senate District because the land, water and our way of life is worth protecting. State government must act as an ally to make sure local towns and county governments have the funds to maintain roads and keep our homes safe from forest fires. I believe our citizens and historic communities need a local voice in Sacramento. Someone who understands the issues and has the instincts of a brown bear to face them.

I have over 25 years experience partnering with school districts and local governments to bring common sense solutions to housing, jobs and education. I studied Animal Science at UC Davis and earned a master's degree in Public Administration from the University of San Francisco. I am a Commissioner on the Advisory Commission on Special Education for the California Department of Education. All students deserve a high quality public school education and funding must be a priority.

I believe public service is a people-centered approach to leadership. It's simple; from the people and for the people. I want our grandchildren to be able to experience the California we all know as the greatest state in the nation.

A vote for me, is a voice for the future of Placer County. Thank you.

**STATEMENT OF CANDIDATE FOR  
CALIFORNIA STATE SENATE, DISTRICT 4**

**Name: GEORGE RADANOVICH**

**Age:**

**Occupation: Small Business Owner**

**Education and Qualifications:**

This is the district where I was born, lived and farmed and where my family started a small business in 1955.

Sacramento is dominated by very liberal politicians out of touch with the concerns and needs of Placer County. I'm running for the State Senate because our district and state need a champion for our agricultural, resource and recreational-based businesses and jobs and for long-suffering taxpayers.

In 1982 I began growing grapes and in 1986 opened the first winery in the region. I was proud to be the first winemaker to serve in Congress since Thomas Jefferson and to bring knowledge of this important industry to Congress, where I was Chair of the Water Caucus and Co-Chair of the Wine Caucus as well as Chairman of the National Parks, Recreation and Public Lands Subcommittee.

I voluntarily retired from Congress in 2010 to raise my family and promote the Valley's agricultural industry, served as Chairman of the Board of our family business and became President of the California Fresh Fruit Association.

As your Senator, I will use my public service and ag experience to fight for plentiful water supplies and increased water storage, better roads and highways and policies that help our farms and businesses thrive. I will work to reduce California's sky-high taxes and end the state government spending spree that feeds inflation and will fight liberal plans to defund the police.

I would be honored to receive your vote. Please visit [www.georgeforsenate2022.com](http://www.georgeforsenate2022.com) to learn more.

**STATEMENT OF CANDIDATE FOR  
CALIFORNIA STATE SENATE, DISTRICT 4**

**Name: TIM ROBERTSON**

**Age: 41**

**Occupation: Executive Director, North Valley Labor Federation**

**Education and Qualifications:**

I fight for things that matter to working people. As Executive Director of the North Valley Labor Federation, I fight for a level playing field for workers and enactment of common-sense policies to create an economy that provides opportunity for every-one.

I serve on three county-wide Workforce Development Boards, including Stanislaus County, to prepare people for jobs, help people advance in their careers and build a skilled workforce.

As a member of a Stanislaus County executive committee, I'm helping create a county-wide economic growth plan. I have in-depth knowledge of new strategies for job creation and economic development that build sustainable job growth with good wages and health care.

I'm an elected member of the Keyes Community Services District Board, where I have gained first-hand knowledge of the challenges to meeting the water needs of the Valley. I will fight in Sacramento for our fair share of funding for water storage projects and clean water programs, and oppose transferring our water to southern California.

Community service and expanding educational opportunity to build a skilled workforce are core to my values. I serve on two county-wide United Way Boards and work with local school boards to connect students to career technical education.

My priorities include funding a comprehensive plan to mitigate and suppress wildfires, improve student learning, expand broadband access, and increase affordable workforce housing.

I am supported by Congressman Josh Harder, Senator Anna Caballero, local elected officials and community leaders.

I'd appreciate your vote. [www.robertsonforsenate.com](http://www.robertsonforsenate.com)

**STATEMENT OF CANDIDATE FOR  
CALIFORNIA STATE SENATE, DISTRICT 4**

**Name: JEFF MCKAY**

**Age:**

**Occupation: Small Business Owner**

**Education and Qualifications:**

The woke liberals who run California have failed: homelessness, crime, illegal immigration, education, water, taxes, housing... We can't keep rewarding failure. I'll take the fight to them for you.

I grew up and lived my whole life here. I built several businesses and employ hundreds of people with good-paying jobs. I'm a school board member who helped turn our local schools around without raising taxes. I'm married with two daughters.

What we want is simple: fewer homeless and less crime, more good-paying jobs and fewer unfair rules that hurt small business, more water and fewer fires, lower taxes and less government waste and swampy corruption.

That shouldn't be too hard right? But the people in charge aren't doing the job. I've had enough, and I'm guessing you have too.

I'll fight the Defund the Police movement. No more riots. No more smash and grabs. We will make our streets safe again.

I'll demand Washington to secure our borders and stop the flow of drugs and human trafficking.

I'll protect our water, our farms, our small businesses, and bring quality jobs back.

I've signed the No New Taxes pledge, and will vote to stop any new taxes.

I'll demand we clean up the homeless camps, and help them into treatment for mental illness and drug addiction.

I'll stand up for American history and against Critical Race Theory.

If you care about California's future... if you want to stop the woke liberals from ruining our state, I'd appreciate your vote.
