

**STATEMENT OF CANDIDATE FOR  
CALIFORNIA STATE SENATE, DISTRICT 6**

**Name: MICHAEL J. HUANG**

**Age: 56**

**Occupation: Physician and Surgeon**

**Education and Qualifications:**

It is a senator's duty to protect the liberty of the people

My family and I immigrated to California from Taiwan and greatly enjoyed the liberty provided by our state. After high school, I served a two year mission for my church then completed my education and medical training through the state school system. I have been caring for my community as a family practice doctor for 20 years.

Over the past two years, I have worked tirelessly and provided early outpatient treatment for thousands of Covid-19 patients without losing a single life. I helped save more than 2000 jobs, including firefighter and nurses, from unlawful Covid vaccine mandates. Sadly, I have also treated hundreds of children who suffered under the ill advised state Covid health guidance.

We need to bring people together from all sides and do away with censorship and discrimination. We must function as a team to protect our children and restore medical freedom.

I am pro business, innovation, and education. I am a strong proponent of providing vocational training and reducing reliance on the government. I support law enforcement and believe that every job is essential. I will vote against tax increases and promote fiscal responsibility.

Above all, I am an American. I will fiercely defend our democracy and freedom and fight for those who cannot fight for themselves to ensure happiness and unity in our community. I humbly ask for your vote to represent you as your state senator.

Michael J. Huang

**STATEMENT OF CANDIDATE FOR  
CALIFORNIA STATE SENATE, DISTRICT 6**

**Name: ROGER NIELLO**

**Age:**

**Occupation: Small Businessman**

**Education and Qualifications:**

Over the course of my career, I have had the opportunity to lead in both business and government – creating jobs in the private sector and creating policies that allow our businesses and communities to thrive. When I served our community in the State Assembly, I worked hard to bring balance to the State Capitol and deliver results for our region. Serving our community was one of the great honors of my life, and I am asking for your trust to do it once again.

As your State Senator, I will fight for homelessness solutions that address the root causes of the problem. I will support law enforcement and prioritize efforts to stem our growing crime rates. I will take my experiences as a CPA and Small Businessowner and craft policies that allow entrepreneurs to create jobs and grow the economy. I will ensure responsible investments in infrastructure to repair our roads, build new water storage, and develop improved flood control. I am gratefully endorsed by Placer County leaders like Supervisors Bonnie Gore, Robert Weygandt, and Jim Holmes. Together, we can tackle our toughest issues and build a region to be proud of. I would be honored to have your vote. Visit [www.rogerniello.com](http://www.rogerniello.com) for more information.

**STATEMENT OF CANDIDATE FOR  
CALIFORNIA STATE SENATE, DISTRICT 6**

**Name:** PAULA VILLES CAZ

**Age:**

**Occupation:** Health and Human Service Policy Director/School Board Member

**Education and Qualifications:**

I'm ready to fight for this community because that's what I've always done.

In college, I was diagnosed with a rare, metastatic cancer. Survival rate was just 10%. This experience fueled my dedication to building a future where everyone has equal access to quality, affordable healthcare. It inspired me to serve our region and state in fighting for better healthcare over the last decade.

After I overcame life-changing cancer, I became the first in my family to graduate college. Strong public schools and higher education give Californians greater opportunities. It's why I joined the school board – ensuring more kids have the chance to succeed. In my first term, I led the fight to win voter approval of \$750 million in investments to rebuild K-12 local schools to create better learning environments.

During the pandemic, I immediately went to work helping students, parents, teachers, school staff, and seniors navigate the crisis. I secured raises for teachers and school staff, worked tirelessly to safely reopen schools, and helped struggling seniors get meals and boost their mental health by connecting them with other members of the community.

Teachers, school staff, parents, and local leaders in Placer and Sacramento counties are supporting my campaign because they know I will strengthen our local economy for everyone and never stop fighting for a brighter future for all.

California is facing tough challenges – housing costs, homelessness, climate, rising crime – but I know the best years are ahead of us. We can do this, together. [www.paulavillescaz.com](http://www.paulavillescaz.com)
