

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

Name: KEVIN KILEY

Age: 37

Occupation: California Assembly Representative

Education and Qualifications:

I am running for Congress to defend our Constitution, protect our freedoms, and make our government accountable to the people.

My platform is: Secure the border now to stop illegal immigration. Make crime illegal again by holding criminals accountable. Get the homeless off our streets. Put parents in charge of their kids' education. Slash debt and reduce taxes. Cut waste, fraud, and abuse from government.

My experience includes: Serving as Deputy Attorney General representing you against violent criminals; defending the Constitution in court; prosecuting intellectual property theft by China; and challenging and beating Governor Gavin Newsom for violating the separation of powers.

I know how to get things done. As a State Representative for Placer County, I wrote groundbreaking new laws on freedom of speech, privacy, and protections for sexual assault victims and passed significant school choice legislation.

I'm a reformer who declined the pay raise granted to the Legislature in 2021 and I decline \$40,000 annually in extra income other legislators collect. I introduced the bill to end special perks for legislators and their staffs.

As the officially endorsed candidate of the California Republican Party and the Placer County Republican Party, my pledge to you is this: I will never give up the fight for the founding principles that made America the greatest country in the world – freedom, justice, individual responsibility, and a limited government that truly represents the people.

I would be honored to receive your vote and represent you in Congress. Visit electkevinkiley.com to learn more.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

Name: SCOTT JONES

Age: 54

Occupation: Sheriff of Sacramento County

Education and Qualifications:

I'm running to make America safe again. I'm the law and order Sheriff of Sacramento County. I'm running for Congress to take America back from liberals like Joe Biden, Nancy Pelosi and the squad. I'm endorsed by conservative Congressmen Tom McClintock and Doug LaMalfa.

As Sheriff, I stood up to Black Lives Matter rioters, sending Sheriff's Deputies to stop destruction in downtown Sacramento. BLM tried to intimidate me by protesting at my home and terrorizing my family. In Congress, I won't be intimidated, and I'll stand up to BLM radicals.

As Sheriff, I dealt directly with illegal immigration: one of my Deputies was murdered by an illegal immigrant. I stood side-by-side with President Trump to secure our border and build a wall to stop illegal immigration.

As Sheriff, I strongly opposed the defund the police movement. In Congress, I'll fight for more police and tougher penalties to keep our property and people safe from out-of-control theft and violence.

I oppose woke anti-American teachings like critical race theory in our kids' schools. I believe in the greatness of America, our Constitution, and our Founding Fathers. In Congress, I'll stand up to the woke left and their wrongheaded, dangerous view of America.

I've been Sheriff for 12 years, and in law enforcement for 33. I've been married 27 years to my wife Christy. We have raised four children here. We are committed to getting California and America back on the right track for We the people. I would be honored to have your vote. www.scottjonesforcongress.com

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

Name: KERMIT JONES

Age: 45

Occupation: Internal Medicine Doctor

Education and Qualifications:

As a doctor and a Navy veteran who deployed to Iraq, my life has been guided by a series of oaths – to my patients and to our country. Now, I am running for Congress to pledge a new oath to bring service-based leadership to Washington.

Before I became a doctor, I learned the values of hard work and responsibility growing up on our family farm. These values led me to join the Navy after 9/11. Later, I served as a White House Fellow, where I worked to increase investments in veterans' healthcare and innovation.

I'm running because every day I see how broken our healthcare system is – not just for our veterans, but for all Americans. Our seniors deserve dental and hearing aid coverage. We pay too much for healthcare, fuel, and our homes. The cost of living, government red tape, and forest fires are making life unaffordable and uncertain for too many Californians. And our national security is under threat as well. From wildfires to our senior populations, we need to ensure we are fighting to protect everyone in our communities, businesses, and our district.

If elected to Congress, it will be my mission to secure our supply chains and restore American manufacturing; to create new affordable pathways to educational and job training; to bring down the cost of healthcare and prescription drugs; and to fight for effective forest management solutions and clean, cheap energy made here at home.
