Report of 1 percent manual tally count of random precincts per California Election Code Section 15360(e)

I, Ryan Ronco, County Clerk-Recorder-Registrar of Voters, County of Placer, State of California, do hereby certify that on July 12, 2017, a one percent manual tally was conducted and completed in conjunction with the July 11, 2017, All Mail Ballot special Fire District Election.

The California Elections Code requires each local election official to conduct a manual count of all contests on ballots cast in a randomly-selected one percent of the Election Day voting precincts in order to verify the accuracy of the machine count. This manual tally occurs during the 30-day vote-canvassing period prior to official certification of election results and augments extensive pre-election testing activities to demonstrate the integrity of the vote tabulation system.

This report addresses the manual-count to machine-count comparison of a randomly-selected one percent of the voting precincts. With 10 mail precincts, Placer County would need to randomly select 1 (one) precinct to comply with Elections Code Section 15360(e). However, the Elections Code also requires all races in the election to be covered in the 1% manual recount. Because the election consisted of 2 (two) measures put forward in two different districts, Placer County drew a random precinct from each of the Fire Districts. The randomly selected precincts were drawn from slips of paper on July 5, 2017 and contained the following precinct numbers: 6512606 and 6361708.

Both of the selected precincts showed exact matching tallies between the manual tally and the election summary report.

The entire manual tally was conducted in public view by hand without the use of electronic equipment, no individuals who performed the manual tally at any time during the manual tally process were informed of the corresponding machine tally results, and because this was an all Mail Ballot election, no poll workers were assigned to participate in the manual tally. Further, tally logs of the manual tally process were kept and have been made available to the public.

An election notice was published in the legal section of the newspaper to comply with the notice requirements. Lastly, the entire manual tally process was completed prior to certification of the Special Election.

IN WITNESS WHEREOF I have set my hand and affixed my official seal on this 17th of July 2017, in accordance with the laws of the State of California.

A handwritten signature in blue ink, appearing to read "Ryan Ronco", is written over a faint circular stamp.
