

Would you like to make voting more convenient? Would you like more time to review your voting choices in the comfort of your own home?

Become a Permanent Vote By Mail Voter (PVBM). Contact our office or complete the attached request form today!

Some voters may not know that State law allows all voters to get their ballots in the mail. Permanent Vote by Mail voters receive their ballots about four weeks before every election. It gives them time to think about their voting choices, return their ballot on or before Election Day, and they do not have to plan time to appear at a specific polling place. In Placer County, over 80% of voters will request to vote by mail.

Contact our office by phone for a one-time vote by mail ballot request OR complete and return the attached form for Permanent Vote by Mail status. Your official ballot will be delivered to your mailbox for every future election. You will remain a vote by mail voter unless you terminate that status in writing, or you do not vote your PVBM ballot for four consecutive statewide general elections (Elections Code Sec. 3206).

Join over 222,500 Placer County voters who already take advantage of this service!

If submitting a written request, complete and sign the form below. Separate and return the Permanent Vote by Mail Application by mail or in person to the Placer County Elections Office to receive your Vote by Mail ballot.
